# African American Heritage Traveling Museum Visit

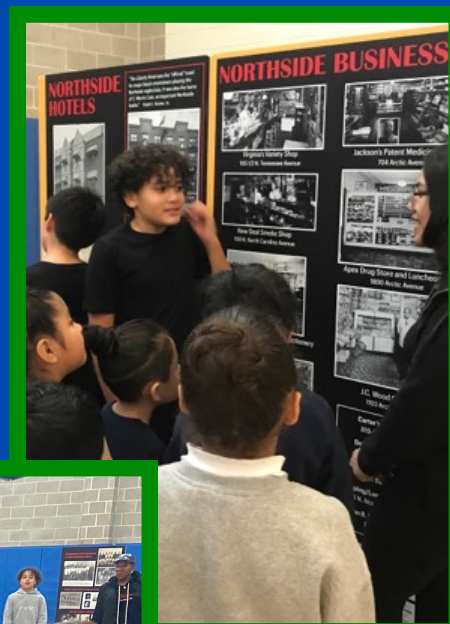

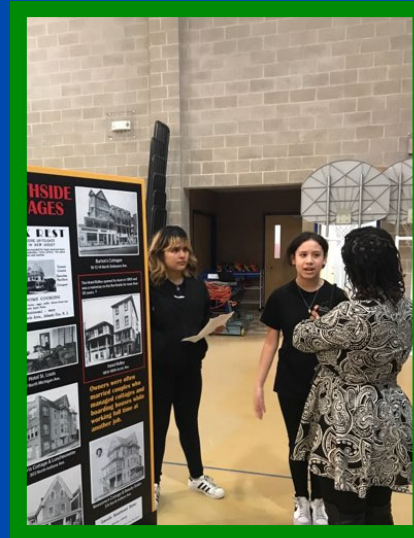

The African American Heritage Museum of Southern New Jersey sprang from the passion of its founder, Ralph E. Hunter, Sr. After retiring from a career in retail, Mr. Hunter began collecting cultural treasures that he stumbled on while traveling or just by being an astute observer of his surroundings. His traveling museum visited Sovereign Avenue School on February 28th to celebrate Black History Month. Thank you to Mr. Hunter, Ms. Scott, and our student leaders for hosting a wonderful event!
