

## Atlantic City Public Schools Assessment Information For Parents and the General Public, 2020-2021

New Jersey school districts, charter schools and renaissance school projects are required by statute (*N.J.S.A. 18A: 7C-6.6*) to annually notify parents or guardians by October 1 or within 30 days of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. If specific details are not yet available, districts may insert “To Be Determined” (“TBD”).

**Key:**

- **Number of Testing Administrations in Districts** refers to the number of times a particular assessment will be offered during the school year.
- **Testing Mode** refers to how the student will be administered the assessment. The two modes are computer-based, and paper-and-pencil. Some computer-based assessments allow students to take the assessment using paper and pencil. Be sure to inquire about the options if your child has a medical issue that would not allow them to take the assessment on the computer.
- **Testing Time** is the maximum amount of time allotted to students to complete the assessment. Most students finish well in advance of the allotted time.
- **Testing Window** is the period in which districts administer the statewide student assessment. It is not the actual number of days it takes a student to complete the assessment. School districts can choose the specific days within the window to administer the test. Please inquire with your district about the exact testing dates of the assessment.
- **Results Available** refers to date districts receive individualized student results from the assessment vendor. These results should be distributed to students, educators and families as soon as possible.
