

Rutgers University will host tours and information sessions for the School of Engineering in Piscataway on February 8, March 9 and 26,, and April 26. This is a great opportunity for prospective students and their families to meet Rutgers faculty and current students while learning more about the Rutgers School of Engineering,including various fields such as Aerospace,Bioenvironmental,Biomedical,Chemical,Civil,Electrical and Computer,Industrial,Material, and Mechanical Engineering. The School of Engineering facilities ,including the recently completed Weeks Hall , are located next to the beautiful Rutgers Golf Course,residence halls,dining halls,library,student center,recreation facilities,swimming pool, the Rutgers Medical School and Rutgers Stadium.Registration is required. For more information,contact Rutgers at 848-445-2687 or [tours@soe.rutgers.edu](mailto:tours@soe.rutgers.edu). Discover more about Rutgers University at [www.rutgers.edu](http://www.rutgers.edu). Please share this with other principals,teachers,parents,students, and guidance counselors.
