

# NURSING AND HEALTH CAREERS INFORMATION SESSIONS

## Health Career Planning

Tuesday, March 26th — 5:30 - 7:00 p.m.

**Mays Landing Campus, Room C3 (C Building)**

(Includes a Tour of the State-Of-The-Art Simulation Lab)

### Informal Discussion Includes:

- Clarify format, locations, competition, and expectations of the training required to enter or advance in health care professions from entry-level to advanced specializations, with suggestions for reaching success.
- Review roles and responsibilities within various job titles and fields.
- Explore training options and/or alternative career routes and career ladders.
- Focus on details of Atlantic Cape's AAS degree programs in Nursing, and Radiologic Technology, and the new Medical Laboratory Technology program, as well as certificate training programs offered through the College's Workforce Development department.

## Nursing Program

Tuesday, April 16 — 5:30 - 7:00 p.m.

**Mays Landing Campus, Walter Edge Theater (C Building)**

(Optional Tour of the State-Of-The-Art Simulation Lab at 7 p.m.)

### Informal Discussion Includes:

- How is the competition really structured?
- What if you're not selected when you expected?
- How are you preparing for the entry exam?
- Are you an LPN, current and practicing?
- How can you benefit from "simulation" in our top notch labs?
- How do you visualize the program and your career path including RN-to-BSN?

Also attend our  
**College Open House**  
Sunday, April 7<sup>th</sup>  
1 - 3:00 p.m.  
Mays Landing Campus
