Hello Seniors,

We have been working incredibly hard to make sure your graduation is fantastic. Under these new circumstances we are asking for your help with graduation. Please review the **Student Order** for your ceremony. Students in blue or white cap and gowns will be placed in alphabetical order. This is the order in which you will be staged prior to graduation. Row A will be the first row with 20 students in each row. **KNOW YOUR PLACE!** (A16, D2, F17). This will be a part of keeping students and volunteers safe. When you arrive at graduation, find your Letter and Number for where to stand. Once grads are in place, we will proceed to the field. If you are late you will be placed at the end of the line. **PLEASE BE ON TIME!**

More importantly...THIS IS THE ORDER YOUR NAME WILL BE CALLED DURING THE CEREMONY. If you are A1, you will be called first. A1-20, B1-20, etc.

Graphics will be projected based on this student as well, so please be in the correct spot!

If you are not in the correct spot in line your name will not be called when you are on the stage.

Volunteers will be located where each student should be, but **PLEASE** know your spot ahead of time.

If you have any questions or issues, please email me at tbiggins@acboe.org
