Dear Parents and Guardians,

With students returning to Hybrid Learning, parents or guardians may opt for a return to Hybrid, In-Person Learning (Cohort A or B). If parents chose In-Person Learning (Cohort A or B), they must contact the administration of the building of attendance no later than Monday, March 1, 2021.

Students who have been assigned a Cohort will be permitted to begin Hybrid, In-person attendance beginning the week of March 8, 2021. It is important that students return according to the Cohort to which they have been assigned. If not opting for Hybrid, In-Person Learning, students will remain Fully Remote.

The next window for return to Hybrid, In-Person Instruction would be at the beginning of the 4<sup>th</sup> Marking Period. Parents or guardians would need to notify the administration of the building of attendance by Thursday, April 1, 2021. Students would be permitted to return to Hybrid, In-Person Instruction the week of April 12, 2021, according to assigned Cohort.

Sincerely,

Barry Caldwell
