# Snargg visits RAS!

Snargg from i-Ready visited grades K-2 to get students excited to take the final diagnostic in reading and math. Students will be working hard over the next two weeks to show all that they've learned this year.

## Mr. Llerena's Class Visits Cape May Zoo

## 5<sup>th</sup> Grade Buddy Bison Trip to Estell Manor

Fifth grade classes were treated to a day of outdoor adventure at Estell Manor Park in Mays Landing after winning a contest sponsored by Harrah's and The National Park Trust. Students spent 10 weeks learning about ways to reduce their carbon footprint and save the environment. Although the weather wasn't ideal for a park day, students made the best of it and had a great time.

## Atlantic City Fire Department Visits RAS

## Positive Messages

The Second Grade Team partnered with the local Wawa to spread kindness! Students created pictures and messages on coffee sleeves to brighten the day of local patrons.

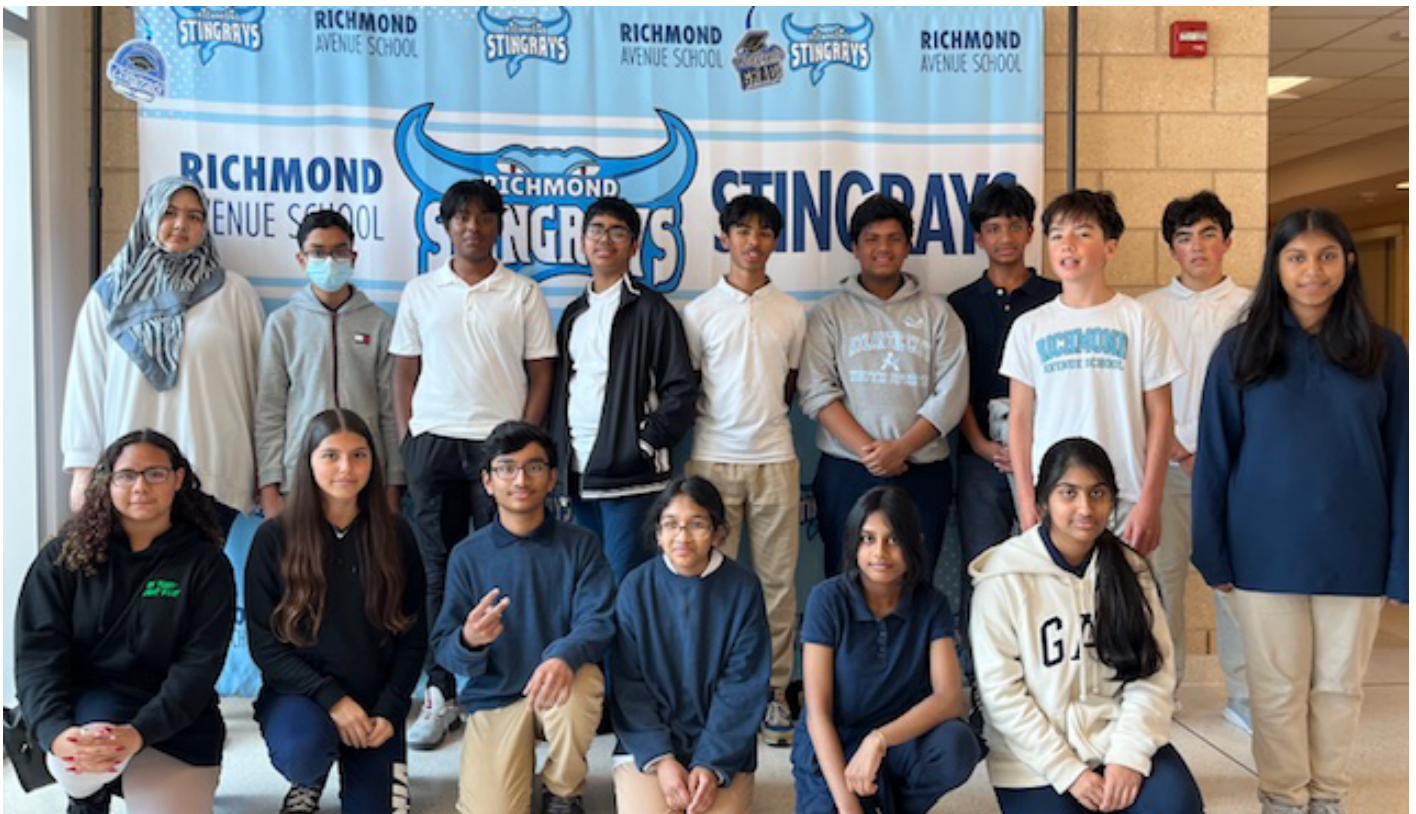

## Message from Nurse DeMarco

Thank you to everyone who encouraged their students to participate in our first annual clothing drive. It was a huge success! We collected 65 pairs of pants in various sizes which will be laundered over the summer and stored in the nurse's office. These will be used primarily for emergency situations in the 2024-2025 school year.

## Castaway Cove

RAS had a fabulous day at Castaway Cove on Ocean City on Tuesday, June 4<sup>th</sup>.

1<sup>st</sup> through 6<sup>th</sup> Grades enjoyed the rides, food, and a beautiful sunny day.

Our MCI students and teachers were treated to Kohr's ice cream by Mr. Randall Kohr.

## NJ Snake Man

The NJ Snake Man was at RAS, and delighted our K-5<sup>th</sup> grade students, with a hands-on and interesting assembly. Students were quite attentive learning about these creatures.

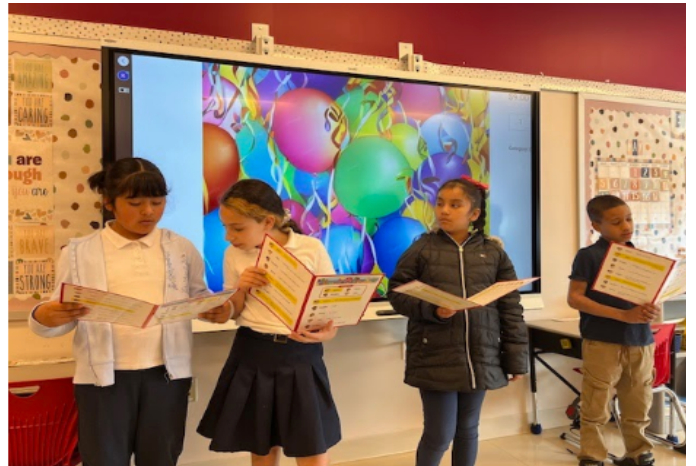

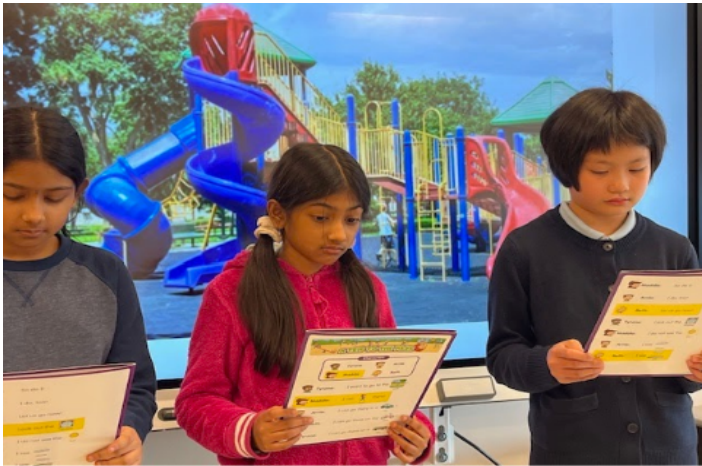

# Fun Day

## Readers' Theater

Ms. Bennett's 3<sup>rd</sup> grade class had some fun with readers' theater after the NJSLA. Its goal is to enhance students' reading skills and confidence by having them practice reading with a purpose. Reader's theater gives students a real reason to read aloud. Job well done!

## Volleyball All-Stars

On Friday May 17, 2024, some talented Richmond Avenue school students were selected to participate in an all-star volleyball game. Among our all-stars were Melissa Franco, Asher Keim, Mateo Reyes and Scarlet Caseres. These four competed in a best two out of three competition with other all-stars from the district. All four played so well! We are so proud of them!
