Hope for Atlantic City's
CHRISTMAS STORE

GIVE THE GIFT OF CHRISTMAS WITH DIGNITY!

Help low income Atlantic City families provide Christmas for their families.

The Christmas Store is for people who struggle to provide Christmas gifts for their families. It gives low income parents and grandparents an opportunity to purchase new toys at a greatly reduced price. This gives them dignity in being able to purchase toys for their families rather than receiving a handout.

You can help by donating *NEW* in the box toys.

You are giving more than just a gift, you are giving a dignifying lift!
