**Board Secretary**

Angie Brown

## **ACKNOWLEDGEMENTS**

This curriculum guide was created and assembled by the social studies PLC (professional learning community) representing the administrators and teachers of the Atlantic City Public Schools. Below are the names and affiliations.

We wish to express our thanks to all who have helped and for the excellent work they have done in producing a guide that represents the current pedagogy within the teaching of social studies, as it relates to the needs of the teachers and students in the Atlantic City Public School System.

A final word of thanks to the Atlantic City Board of Education for the continued support and assistance that they provide to us, as we strive to improve our educational practices.

**Barry Caldwell .....Superintendent of Schools**
