

STUDENT DRESS CODE

The Board believes school dress code can enhance the school learning environment, establish greater school pride and promote a safe and friendly environment for all students. It is the responsibility of each school principal to adequately inform parents/guardians of the contents of the Student Dress Code. Proper grooming sets the tone for a respectable high school. Although it is not within the province of the school to dictate styles, it is our responsibility to strive for a positive learning atmosphere. Anything that might distract from that must, in fairness to all, be discouraged. In an effort to assist our students and their parents, the school has established the following dress code. All students are expected to abide by the following requirements when dressed for school.

General Rules

- Pupils are expected to be clean and well-groomed in their appearance
- Pupils are expected to avoid extremes in appearance that are disruptive or distracting that the reaction of other pupils is beyond normal control

Additional Requirements:

Footwear

All students must wear some form of closed footwear at all times. This is a safety and health issue. Shoes should be comfortable and safe for all school activities. Slides and flip-flops are not permitted.

Jewelry

Please limit jewelry worn to school, particularly necklaces and chains so that it does not get lost or cause injury. Excessive, bulky, or extreme jewelry is not permitted. Jewelry or accessories with spikes or other potentially dangerous features are prohibited.

Jewelry Piercings

Extreme and or excessive piercings are not appropriate at school. Excessive and/or extreme piercing can lead to health issues with potential for infection and injuries.

Enforcement

All school staff will be involved in the dress code enforcement. Students who may be considered in violation of the dress code will be referred to the principal or his/her designee for final decisions. Students may be required to wear some school-provided clothing to complete a school day. Not all circumstances are necessarily covered by the dress code. If you have any doubt as to whether or not a specific article of clothing may be a violation of the dress code, do not wear it until you are certain it is acceptable.
